The front grating can be black, white or metal color, doors on the right side of the crate.

Birds placed in other crates than those mentioned above will not be accepted for the evaluation.

The bottom of the crate must be covered by the sand or “layer of the seeds”.

Drinkers will be distributed by the organizer.

Agapornises in the M Class is possible to exhibit only in the **cartoon** crates provided by the organizer, see point 5

It is not allowed to put any signs referring to the owner of the bird (especially during the evaluation).

During the acceptance the bird must have food in the crate for 24hours supplied by the owner. Drinkers will be distributed after the evaluation (because of the possible splash).

7. Birds, which are obviously ill or the birds with visible deformations will not be accepted or excluded from the exhibition hall based on the veterinary check done by the veterinarian.

8. Rings of the birds for the exhibition will be accepted under these conditions
- It will not be possible to remove the ring out of the bird's leg
 - Birds with non-readable or with more than one ring will not be accepted

9. Exhibition classes and groups division

Every breeder is obliged to categorize single bird to the **EXHIBITION GROUP** in the **application** as following

The check of the correct categorization will be done during the acceptance

Every exhibited kind will be divided to:

A Class - birds bred in 2018

B Class - birds 2017 and older

M Class - young birds of 2019

N Class - all new mutations, undefined mutation combinations or not yet accepted mutations

Only the birds categorized to the class „A” might be nominated to the price of „best of kind” and „best of the best” (winner of the exhibition).

Master of the Club or Young Master can be only the member of CZAC with agapornis wearing own club ring

The number of the exhibition classes is decided by the **Exhibition Committee** and it depends on the number of the exhibited birds. **The minimum for the group is at least 5 birds from at least 3 exhibitors.**

10. The evaluation will be done according to the international exhibition standards for agapornises. **Exhibition Committee** will announce the results in time, which will be specified during the Exhibition.

Exhibition catalog will be prepared on Saturday 28th September for the opening hours.

11. The decision of the **Exhibition Committee** is final.

The streamers and diplomas are gold, silver and bronze (for each kind), diplomas for gold silver and bronze (for each group), and the “winner of the class” will be announced, later “best of kind”, “best of class” and “best of the best” (winner of the Exhibition) will be announced. The winner of the Exhibition and winners of the kind will get a cup.

Exhibition committee will also announce titles for “Master of the club” and “Young Master of the Club”. The titles can be obtained only by the members of the club. It will be given based on the highest number of the obtained points for agapornis, which is from his own breed and categorized in the class A. The bird must have a club ring.

12. Every exposed fraud attempt will be dealt with and addressed by the **Exhibition Committee**. Sanctions may be a disqualification of one, more or all of the exhibitor's birds, or the club's membership cancellation without the right to a refund of any fees. Cases of fraud include, but are not limited to, bird stains, any signs or symbols indicating the owner, etc.

13. No bird can leave the Exhibition before the official end. It will be announced by the **Exhibition Committee**.
